Excellent! Would love to see that letter!

Warm here and we had level 4 earthquake this a.m just before 7 a.m.

On it goes...

I second that! We had a good letter to the editor in the AZ Republic saying about the same thing. It's nice people recognize the work EPA does.

Excellent article. I saw something similar in USA today. Nice that someone is highlighting the lack of resources. Thanks for sending this out Pat.
